

# ROCHESTER BIENNIAL

This exhibition is sponsored by the  
Blaine H. and Richard J. Wilson Foundation  
with additional support from

## Seeing America: Focus on Rochester

Artists' reflections on the history  
of the Rochester  
American Art Association

With over 100 years of history, the American Art Association (AAA) has been a leading force in the Rochester art community. The AAA has been instrumental in the development of the Rochester art scene, and has been a major force in the promotion of American art.

The AAA has been instrumental in the development of the Rochester art scene, and has been a major force in the promotion of American art. The AAA has been instrumental in the development of the Rochester art scene, and has been a major force in the promotion of American art.

The AAA has been instrumental in the development of the Rochester art scene, and has been a major force in the promotion of American art. The AAA has been instrumental in the development of the Rochester art scene, and has been a major force in the promotion of American art.
